

IEEE Healthcare Innovation Point-Of-Care Technologies Conference

HI-POCT'17 – Partnership Opportunities

You are cordially invited to participate in this exciting gathering of biomedical engineers, clinical engineers, life scientists and physicians. You will have unique opportunities to interact with national and international leaders from industry, government and academia on key research, development, and policy issues; meet future employees, clients, and get a chance to consult experts from a wide variety of specialties in biomedical engineering and medical science; further gain visibility in a national and global scale in the field of medical device and healthcare; and network with other industrial partners and develop professional relationships beneficial to your company/institution.
